Subject: Compliance with EU RoHS Requirements Without Exemptions

Dear Ms. Kroll,

We are writing to formally confirm that all MP-800 door closers supplied by MPowr Products Inc. are in full compliance with the Restriction of Hazardous Substances (RoHS) Directive 2011/65/EU, as amended by (EU) 2015/863, without any exemptions.

Our company is committed to promoting sustainability and ensuring that our products not only meet but exceed regulatory requirements. In line with this commitment, we have taken the necessary steps to ensure that our door closers are free from all restricted substances laid out by the RoHS directive, including:

Lead (Pb), Mercury (Hg), Cadmium (Cd), Hexavalent Chromium (Cr<sup>6+</sup>), Polybrominated Biphenyls (PBB), Polybrominated Diphenyl Ethers (PBDE), and the additional four restricted phthalates (DEHP, BBP, DBP, and DIBP), and three major chlorinated solvents: **Trichloroethylene (TCE)**, **Perchloroethylene (PCE)**, and **Carbon Tetrachloride (CTC)**.

By providing this letter, we aim to give you, our valued customer, the assurance that the products you purchase from MPowr Products Inc. are not only of high quality but also adhere strictly to the stringent environmental standards set by the European Union.

We appreciate your business and remain committed to upholding the highest levels of quality and compliance in all our products. Should you require further information or clarification on this matter, please do not hesitate to contact us.

Warm regards,
